## Catching Cancer?

By [Jon Faine](#)

**Jon Faine's co-host was Dr Gael Jennings, as they spoke with documentary maker Sonya Pemberton, and breast cancer researcher, Dr. Elgene Lim.**

Jon Faine's co-host was Dr. Gael Jennings, and they spoke to film maker Sonya Pemberton, about her documentary 'Catching Cancer', which is screening on ABC1. Dr. Elgene Lim, medical oncologist and breast cancer researcher at the Walter and Eliza Hall Institute, also joined in the conversation, and let us know some of the other latest advances in the fight against breast cancer.
